SUMMARY

A dedicated and driven Business Science graduate with a strong foundation in analytics, currently pursuing a Master's in Statistics and Data Science at the University of Cape Town. Proven leadership and mentorship skills through roles as a subwarden, House Committee member, tutor, and mentor in UCT residence. Demonstrated analytical and problem-solving abilities through participation in national-level competitions, including winning the 2024 Youth Employment Prediction Hackathon hosted by Predictive Insights, and competing in the 2024 Prescient Coding Challenge.

EXPERIENCE

Kilindini Residence (UCT)
January 2023 - November 2023
Sub Warden
Supported residence management by promoting student well-being, maintaining discipline, and fostering a safe, inclusive living environment. Acted as a mentor and point of contact for students, assisting with academic and personal challenges.

UCT
February 2021 - November 2023
Tutor and Mentor

Kilindini Residence
October 2021 - September 2022
House Committee
Collaborated with residence leadership to plan and coordinate student events, promote community engagement, and support student welfare. Represented student interests and contributed to maintaining a positive and inclusive residence environment.
